PLEASE RESPOND WITH APPROPRIATE COMMENTS AND FACTS TO THE FOLLOWING FOUR STATEMENTS. FAILURE TO DO SO WILL POSSIBLY VOID YOUR APPLICATION.

In granting a variance, the Board shall consider whether the following are in compliance with KRS 100.243:

1. The requested variance arises from special circumstances which do not generally apply to land in the general vicinity, or in the same zone.
2. The strict application of the provisions of the regulations would deprive the applicant of the reasonable use of the land or would create an unnecessary hardship on the applicant.

3. The circumstances are the result of actions of the applicant taken subsequent to the adoption of the zoning regulation from which the relief is sought.

In addition, the Board must find that:

4. The granting of the variance will not adversely affect the public health, safety and welfare, and will not alter the essential character of the general vicinity and will not cause a hazard or a nuisance to the public.
