

The Bourbon County Horse Walk of Fame features distinguished horses associated with farms in Bourbon County. Concrete markers featuring horse shoes and plaques, each with horse's name and information, will line Main Street. Bourbon County lays claim to many of the top horses in the world, both past and present. We are pleased to be able to share our love of horses through the Bourbon County Horse Walk.

Thank you to the farms who have participated in the project and contributed to the Paris Main Street Program.
